SAMANWOY MUKHOPADHYAY

Currently searching for a post-doctoral researcher position in genomics

EDUCATION

University of Calcutta
B.Sc., Zoology (Honours) with 77.75% marks — 2010

University of Calcutta
M.Sc., Zoology, CGPA-8.56 with grade O (Outstanding) — 2012

National Institute of Biomedical Genomics, Kalyani
Submitted Ph.D thesis in *Host Transcriptome Response in Sepsis* — 2019

RESEARCH EXPERIENCE

- Experienced in transcriptomic data analysis, data mining, handling big data generated from the lab and also from the public domain.
- Experienced in performing meta-analysis from public data to draw inference from already available data in the field (GEO, TCGA).
- Experienced in creating data/ software packages (in R) for reproducibility of the work done.
- skilled in IDE such as Rstudio and Jupyter
- All the data and codes are available in public domain for each manuscript as a R vignette.
- Proficient in sweave, knitr, Markdown, Latex for scientific document writing.
- Skilled in Website/ API development through pagedown, blogdown, Shiny, distill, Markdown.
- Experienced in genomic data generation in a laboratory in Gene expression microarray.
- Isolation of DNA, RNA from clinical samples, Bioanalyzer (capillary electrophoresis) for quality assessment of the nucleic acids, PCR, gel Electrophoresis, cDNA library preparation for gene expression microarray chips, gene expression microarray.
- Literate in basic microbiological experiments.
- Experienced lab management. From sample collection to data generation to data analysis and writing of reports.
- Experienced to work in collaboration with technical staffs and other lab members to work as a team.

SKILLS

Experienced in Microarray, RNAseq, Single Cell RNAseq data analysis with bioconductor and R

Skilled in R, LaTeX, Markdown, git

Python and Bash literate

Experienced in scientific computing with Linux OS

Experienced in website/API development

This resume was made with the R package pagedown.

Last updated on 2021-05-06.

SELECTED PUBLICATIONS

- **Host response to SARS-CoV-2: Insight from transcriptomic studies.**
  Mohapatra SK, Mukhopadhyay S Indian Journal of Biochemistry and Biophysics (IJBB), 58(1), pp.7-12. (**Review Article**)
  2021
- **Dynamic dysregulation of IL-6 and genes functional in NETosis, complement and coagulation in severe COVID-19 illness.**
  medRxiv. 2020 Oct 15. (**Pre-print**) 2020
  Mukhopadhyay S, Sinha S, Mohapatra SK.
- **Sepsis-associated pathways segregate cancer groups.**
  BMC cancer. 2020 Apr ;20:1-1. Tripathi H, **Mukhopadhyay S**, Mohapatra SK.
  2020
- **Immunosuppression, rather than inflammation, is a salient feature of sepsis in an Indian cohort.**
  bioRxiv. 2019 Aug 22:742924. (**Pre-print**) **Mukhopadhyay S**, Thatoi PK, Das BK, Mohapatra SK.
  2019
- **Transcriptomic meta-analysis reveals up-regulation of gene expression functional in osteoclast differentiation in human septic shock.**
  PloS one. 2017 Feb 15;12(2):e0171689. **Mukhopadhyay S**, Thatoi PK, Pandey AD, Das BK, Ravindran B, Bhattacharjee S, Mohapatra SK.
  2017
- **Sepsis 2016 Agra: Pathway-level meta-analysis reveals transcriptional signature of septic shock.**
  Critical Care (BMC). 2016;20(Suppl 1):5–6. (**Conference Paper**)

  2016

CODE AND DATA PACKAGES

- Published Manuscript: Meta-analysis of Septic Shock: (R data package , Vignette)
- Published Manuscript: Sepsis-associated pathways segregate cancer groups Rcode: Data-package
- Preprint: Host transcriptome analysis for survival of sepsis patients from an Indian cohort: (R data package , Vignette)
- Preprint: Dynamic dysregulation of IL-6 and genes functional in NETosis, complement and coagulation in severe COVID-19 illness.

HONORS AND AWARDS

- Qualified: Joint Council for Scientific & Industrial Research- University Grants Commission (CSIR-UGC) Test for Junior Research Fellowship and Eligibility for Lectureship (NET) held on 17-06-2012. Rank: 65/644 in Life Sciences.
- Post-Graduate Merit Scholarship (for university rank holders for PG Programs), University Grants Commission India (U.G.C.); 2010-2012.

- Sorashi Bala Choudury Memorial Scholarship (for university rank holders at graduation level), University of Calcutta, 2010.

TEACHING EXPERIENCE

- Participated as an instructor in “Introduction to R and analysing NGS data with R”. Winter school on Analysing Genomic data, NIBMG 2017.
- Lab tour instructor in DNB workshop for population genetics, Feb. 2017, NIBMG.
- Participated as an instructor in “Introduction to R”, NIBMG summer school for systems biology, July 2018.
- Participated as an instructor in NIBMG Clinical Genetics workshop, Dec,2019.
